STRAWBERRIES, FAIRFAX

TO OUR PATRONS

We are submitting herewith a supplementary list of Novelties for 1935.

ROSES

(Nigrette, the Black Rose of Sangerhausen.
U. S. Plant Pat. No. 87.)

Produces cup shaped flowers which are the darkest yet introduced. An intensely deep Maroon with a velvety sheen of pure black. Deliciously fragrant. Always in bloom and practically a necessity in every garden.

\$2.00 Each.

CLIMBING ROSE

Blaze (U. S. Plant Pat. No. 10.)

This hardy everblooming Scarlet climber has the vigor, beauty and hardihood of a Paul Scarlet, added to the blooming period of a Hybrid Tea .

\$1.50 Each.

ROCK GARDEN ROSE

Rosa Rouletti

A flowering plant which seems to have been designed just for the perfect rockery. It is dwarf in stature, never growing more than six inches above the ground and bears many attractive pink flowers all Summer and Fall. Why not order some now, before our supply is exhausted.

50 cents Each. \$5.00 per Dozen.

RAINBOW NURSERY SERVICE

ROSE

(U. S. Plant Patent No. 38)

Countess Vandal

A Hybrid Tea Rose enthusiastically received by Rose-lovers because of its long pointed bud and its distinctive shadings of coppery bronze, suffused with blush red. The blooms finish in a very unusual arrangement of petals reflexed with a silvery sheen. The plant has great vigor and blooms unceasingly throughout the summer. \$1.50 each.

NEW DWARF HYBRID BORDER ASTERS

Free flowering and blooming when few other plants are in bloom.

These Asters seldom exceed one foot in height and during their September blooming period they are literally covered with flowers for a considerable time. They are good edging Perennials, excellent for grouping in front of borders and simply ideal for the rock garden.

Shades are Pink, Pale Pink, Rose Pink, Pale Flesh, Lilac, White and Pale Lavender Blue.

Grown in 3 Inch Pot Plants

50 cents Each. \$5.50 per Dozen.

NEW HYBRID KOREAN CHRYSANTHEMUMS

Colors: Pure White to rich Scarlet Pink and centered Gold. They are hardy and bloom in great profusion.

50 cents Each. \$5.50 per Dozen.

DELPHINIUM WREXHAM HYBRIDS

(Mixed Colors)

They grow three to five feet tall. These marvelous hybrids have surpassed all their forerunners in size, color range and general beauty.

50 cents Each. \$5.50 per Dozen.

DAPHNE

Daphne Cneorum (Rose Daphne) 1 ft. The true aristocrat of any rock garden. Beautiful green foliage, low and spreading with pink flowers, as delightful to smell as they are to see in the spring. Truly a gem. 6 to 9 in., 70c; 9 to 12 in., \$1.00; 12 to 15 in., \$1.50 each.

JAPANESE FLOWERING CHERRIES

The Japanese Cherry Trees can be adapted to many uses in the garden. Their habits of growth vary from pyramid to vase shaped, while some of them are of the weeping type. Most varieties are tinted pink. They cover a long season of bloom.

PRUNUS KANZAN (Kanzan Cherry)

A lovely Japanese tree, shapely and upright, with double deep pink blooms against its young bronze leaves in early spring. 5 to 6 ft., \$2.00 each; 6 to 8 ft., \$3.00 each.

PRUNUS PENDULA (Weeping Japanese Cherry)

In early spring the long slender branches of this pendulous sort are a waterfall of pink flowers. A most graceful lawn tree. Selective trees with 2 year heads, \$3.75 each.

ROSE LADY ALICE STANLEY

ROSES

HYBRID TEAS

We offer high grade, 2-year-old plants, northern grown, and have selected a list of plants noted for their hardiness, vigor of growth and gorgeous colors.

Autumn. Shades of russet brown, bronzy red, and rich yellow. Free bloomer. New and rare.

Charles P. Kilham. Scarlet orange buds, opening to brilliant orange pink, shading to yellow.

Mrs. Pierre du Pont. Reddish gold buds turn to lasting and fragrant blooms of deep golden yellow.

Padre. Novel in coloring, long petals of coppery scarlet flushed with yellow.

President Herbert Hoover. An outstanding novelty of maroon orange and gold. A perfect Rose for the florist or home garden.

Sensation. Deep blackish maroon, large and highly perfumed in bud and flower.

Rev. F. Page-Roberts. Golden yellow stained copper, with reddish buff, overlaying its outer petals.

Talisman. Most vividly colored Rose. Apricot shading to yellow at base. Strong grower, free bloomer.

Barbara Robinson. Large, long-pointed bud; flower large, double, creamy white.

E. G. Hill. Dazzling scarlet, shading to deeper red; very double.

Lady Alice Stanley. Beautiful, coral rose. A magnificent variety, nearly reaching perfection.

Betty. Long tapering, coppery pink buds shading to gold.

50c. each, \$5.00 per doz.

Also hundreds of others to select from

ASPARAGUS

Washington. About 150 plants make a good bed for the average family. Plant 1 foot apart in rows 3 feet apart. Dig trenches 15 inches deep, putting manure in bottom. Plant sets 8 inches below the surface and cover 3 inches deep. Hill up next year.

RAINBOW NURSERY SERVICE

SHADE TREES

Sorbus aucuparia (*European Mountain-ash*). A very attractive, small lawn tree with graceful compound leaves which turn orange red in the Fall. Clusters of scarlet berries are borne in great abundance from July until Winter.

6 to 8 feet.....\$1.50 each, \$12.00 per 10

8 to 10 feet....\$2.00 each, \$18.00 per 10, \$150.00 per 100

Ulmus americana (*American Elm*). One of the best of our native trees. As a specimen it forms a majestic tree when given room to develop.

8 to 10 feet...\$1.25 each, \$11.00 per 10, \$100.00 per 100

10 to 12 feet... 1.60 each, 15.00 per 10, 135.00 per 100

Ulmus pumila (*Chinese or Siberian Elm*). A remarkably rapid growing tree, suitable for dry or moist locations. The foliage is much smaller than that of the American and quite dense. It will grow into a mature tree in a very short time.

6 to 8 feet.....\$1.00 each, \$9.00 per 10, \$75.00 per 100

Acer platanoides (*Norway Maple*). A very handsome, round-headed tree with broad, smooth, deep green foliage which lasts late into the Fall, when it changes to a golden yellow.

6 to 8 feet.....\$1.25 each, \$11.00 per 10, \$100.00 per 100

Acer dasycarpum (*Silver Maple*). A rapid growing Maple, thriving in any soil. The foliage is light green and silvery beneath.

8 to 10 feet.....\$1.00 each, \$9.00 per 10, \$75.00 per 100

Populus nigra italica (*Lombardy Poplar*). It is very satisfactory for screen planting and also for formal effects on account of its columnar form.

6 to 8 feet.....\$1.00 each, \$9.00 per 10

Quercus rubra (*Red Oak*). This beautiful variety with its drooping branches and its finely divided dark green leaves is particularly adapted to lawn and avenue planting. The foliage turns red in the Fall. It is a rapid grower and prefers moist soil.

6 to 8 feet.....\$3.00 each, \$28.00 per 10

Quercus bicolor (*Swamp White Oak*). One of the fastest growing Oaks. Will grow well in well-drained soils or wet location.

6 to 8 feet.....\$3.50 each, \$33.00 per 10

Quercus coccinea (*Scarlet Oak*). A handsome tree with spreading branches and rounded, open head. The foliage turns to a brilliant scarlet in the Fall.

6 to 8 feet.....\$3.50 each, \$30.00 per 10
